

VOTE MAY 21

XANDER SHAPIRO

FOR SELECT BOARD

Leadership - Experience - Results

Through my collaborative leadership on four Sharon committees, I've worked to address key areas—including economic development and infrastructure—and serve all our residents, from the children in our public schools to our older and disabled residents of Hixson Farm and all of us striving to address climate change locally. If you are looking for a new Select Board member who will be a leader, work with others to address our pressing issues and be a strong steward of our shared financial resources, then I am your candidate!

When I was moving back to the Boston area with my son, I was looking for the best place to live with great schools, friendly neighbors, beautiful outdoors, and good proximity to my mother in Boston, all with a small-town New England feel. This combination is 100% Sharon.

In the years since becoming a Sharon homeowner, I have volunteered to further Sharon's economic development, creating growth plans to improve our small business friendliness and increase town revenues. On the Planning Board, I help ensure zoning and projects work for Sharon. I have led community outreach for town solar projects that deliver \$750,000 annually for Sharon. My work on the Housing Authority provides fiscal oversight of the 101-unit Hixson Farm apartments. I also served as a parent representative on the Superintendent Search Committee.

I promise to listen and lead to deliver for Sharon

VOTE XANDER SHAPIRO

FOR SELECT BOARD

VISION

- Overseeing Sharon spending, services and governance collaboratively and responsibly
- Supporting continued excellence of our schools
- Watching out for our long-term residents
- Improving Sharon's small business climate and commercial tax base
- Addressing climate change locally through solar and other infrastructure
- Growing community and belonging throughout Sharon

COMMITTEE AND BOARD MEMBERSHIPS

- Vice Chair, Sharon Planning Board, elected by Sharon voters
- Sharon Housing Authority, elected
- Sharon Municipal Solar Oversight Committee, appointed by Select Board
- Sharon Economic Development Committee, appointed
- Sharon Schools Superintendent Search Committee
- 20 years on civic, non-profit and corporate boards, 3 years as Board Chair of arts-in-education organization

PERSONAL AND BUSINESS BACKGROUND

- My career has ranged from Fortune 1000 executive of \$150 million division of a public global company to co-founder of start-up tackling food waste and nutrition
- My amazing son Jacob and I live with our cat and dog adjacent to the Massapoag Trail
- Active Member of Temple Sinai (trustee, choir, antisemitism task force, dinner club, softball); Sharon Community Chorus; Sustainable Sharon Coalition (2023 Green Day Chair)
- BA from Yale and MBA from UC Berkeley

I respectfully ask for your vote on May 21st.
